

BAHGALLAH SPORTING CLUBS

REUNION

WHAT

It is planned to revive the maroon & gold colours and hold a Reunion of all past players and supporters who have been involved in the many sporting teams associated with the Bahgallah community.

WHO....

All members and associates of the Football, Basketball, Cricket, Tennis and Indoor Bowls Clubs—regardless of the era!

Anyone who remembers fondly their involvement in sport at Bahgallah should consider attending this reunion and to pass on the word to those who have moved from the district.

WHY....

Time marches on, and unfortunately we have already lost too many of these wonderful people who were such an integral part of our community; so let us all get together and enjoy the moment before it passes us all by!

WHAT TO DO....

Keep Saturday 8th October 2011 free to travel to Bahgallah to attend the reunion. No formal individual invitations will be issued. We are relying only on local media advertisements and “word of mouth” contact to all people who have ever been involved in the Bahgallah sporting fraternity, so your assistance would be greatly appreciated.
